

Independent auditor's report to the members of the Council of Governors of Kings College Hospital Foundation Trust

Audit completion

In our auditor's report issued, on 26 June 2025, for **Kings College Hospital Foundation Trust** (the 'Trust') for the **year ended 31 March 2025**, we reported an **unqualified opinion** on the group and Trust's financial statements.

We explained that we could not formally conclude the audit and issue an audit certificate for the Trust for the **year ended 31 March 2025**, in accordance with the requirements of Chapter 5 of Part 2 of the National Health Service Act 2006 and the Code of Audit Practice, until we had **received confirmation from the National Audit Office (NAO) that the audit of the NHS group consolidation is complete for the year ended 31 March 2025. The NAO has confirmed the audit of the NHS group consolidation is complete for the year ended 31 March 2025.**

We are therefore satisfied all audit work necessary has been completed.

Report on other legal and regulatory requirements - the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Trust has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the **year ended 31 March 2025**.

In our auditor's report for the **year ended 31 March 2025** issued on 26 June 2025 we reported that:

We have nothing to report in respect of the above matter except on 14 June 2025 we identified a significant weakness in the Trust's financial sustainability arrangements. We have concluded that there remains a significant weakness in the Trust's arrangements to deliver financial sustainability. The Trust has not yet made inroads into the underlying deficit and the ability to deliver recurrent pay cost savings is crucial for the Trust's financial performance in both the short and medium term. We recommended that the Trust should deliver at pace the identification and delivery of recurrent cost efficiency, particular recurrent pay cost savings.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Trust's arrangements for securing economy, efficiency and effectiveness in its use of resources for the **year ended 31 March 2025**.

Report on other legal and regulatory requirements – audit certificate

We certify that we have completed the audit of **Trust** for the **year ended 31 March 2025** in accordance with the requirements of Chapter 5 of Part 2 of the National Health Service Act 2006 and the Code of Audit Practice.
